EXPERIENCE FULL IMMERSION

CBYX provides **scholarships for the cultural experience of a lifetime**. Participants gain new perspectives on global affairs by experiencing German life while living with a host family and attending a local school for an academic year. Make a bold move and join the global community by creating friendships and making connections, all while learning German!

"Taking the first step is never easy, but CBYX helped me make it. It gave me the tools I needed to get myself out there and open up to the world of people, sights, and emotions. Never have I experienced something so enriching and eye-opening as being an exchange student." – Mary, CBYX Participant

JOIN THE GLOBAL COMMUNITY

CBYX is jointly funded by the U.S. Congress and the German Bundestag, and in the U.S. is overseen by the U.S. Department of State's Bureau of Educational and Cultural Affairs. Initiated in 1983, the CBYX program was created to strengthen ties between Germany and the United States through citizen diplomacy. Over 26,000 students have prepared themselves for success in an increasingly global world by participating in the CBYX program. CBYX alumni receive benefits through the U.S. Department of State's International Exchange Alumni network and a CBYX Alumni Association.
