I have created a combined set for your on QUIZLET.

<https://quizlet.com/7au5ii>

You are designing a neighborhood **and** your home (floor plan).

You may create everything digitally or You may put your neighborhood and your home (floor plan) on a manila folder/poster board.

You will ALSO write two paragraphs to describe your neighborhood and your home.

You will need to cover all the requirements and you will need to follow the structures for the writing part.

Your neighborhood MUST cover at least 10 places in QUIZLET Places 1&2 including your home.

You MUST label each place.

Your MUST label everything using the words in QUIZLET Places 1&2, or your label(s) won't count.

You may name your places, however you still have to label the places in CHARACTERS to receive the credit.

Example:

学校 (school) will count.

Maynard Jackson 学校 will count.

Maynard Jackson won't count.

You need to write one paragraph to describe your neighborhood using the following sentence structures.

1. This 这是 my 我的 neighborhood. (neighborhood=社区)

2. There are place A, place B and place C... nearby my home. (at least 3 places next to your home)

Structure: My home=我家 附近有 place A, place B and place C...

3. There is not a place D nearby my home.

Structure: My home = 我家 附近没有 place D.

4. Write one “在” sentence to describe the location of two places.

Structure & example: Place E is to the east of Place F.

Place E 在 Place F 的 East 面.

Vocab: 东east西west南south北north

5. Write one “有” sentence to describe the location of two other places.

Structure: There is Place G to the west of Place H.

Place H 的 west 面有 Place G.

6. Pick a place (Place I) you go to everyday and write the sentence like this.

Structure: Place I 离我家 far/close/quite close....., I+ everyday + walk/ride a car + go to + place I.

Example: 学校=place I

School is very close to my house. I walk to school everyday.

学校 离 我家 很近。我 每天 走路 去 学校。

7. Followed by sentence 6, write about how long it takes you to get to place I.

Example: 学校=place I

Structure: 走路 (walk) 十分钟 (10 minutes) 到学校。

You must label all the rooms and all the items in the rooms in Chinese.
